

Time	Sunday	Monday 27.7.2009	Tuesday 28.7.2009	Wednesday 29.7.2009	Thursday 30.7.2009	Friday
from 8.00		Impacts on biodiversity and ecosystem processes	Interactions in a changing world	Ecosystem Demands and Services	Consequences of land use changes (LUC)	
08.30-09.15		Registration	Plenary lecture Norbert Codeiro (Nina Farwig)	Plenary lecture Damayanti Buchori (Teja Tscharnkte)	Plenary lecture Jaboury Ghazoul (Bill Laurance)	
09.15-09.30		Opening Ceremony				
09.30-09.45	Board meetings		Session 37 Free Topics - Forest	Session 23 Struggle in the Tropics	Session 05 Applying ecological knowledge	3-4-day Excursions
9.45-10.00	Board meetings		Session 11 Modified forest ecosystems	Session 09 Nutrient manipulation experiments	Session 14 Human ecological dimensions in sustainable utilization	3-4-day Excursions
10.00-10.15	ATBC / gtö	Plenary lecture Elisabeth Kalko (Linsenmair)	Session 13 Interactions in a changing world	Session 06 Consequences of animal seed dispersal	Session 34 Impacts of climatic change	
10.15-10.30			Session 22 Climate effects on regeneration dynamics	Session 10 Session of the NGO's	Session 19 Land-use change at local and landscape scales	
10.30-10.45			Session 02 Oilplants & oilbees	Session 28 DNA Barcodes	Session 41 Free Topics	
10.45-11.15		Coffee break	Coffee break	Coffee break	Coffee break	
11.15-11.30		Session 36 Free Topics - Phylogenetic / Phylogeography	Session 37 Free Topics - Forest	Session 23 Struggle in the Tropics	Session 08 Applying ecological knowledge	
11.15-11.30		Session 38 Free Topics - Vertebrates	Session 11 Modified forest ecosystems	Session 09 Nutrient manipulation experiments	Session 14 Human ecological dimensions in sustainable utilization	
11.45-12.00		Session 26 The advantages of experimental studies	Session 13 Interactions in a changing world	Session 06 Consequences of animal seed dispersal	Session 34 Impacts of climatic change	
12.00-12.15		Session 39 Free Topics - Ants	Session 22 Climate effects on regeneration dynamics	Session 23 Struggle in the Tropics	Session 19 Land-use change at local and landscape scales	
12.15-12.30	Start	Session 04 Tropical water ecology	Session 02 Oilplants & oilbees	Session 28 DNA Barcodes	Session 41 Free Topics	
12.30-14.00	Registr.	Lunch	Lunch	Lunch	Lunch	
14.00-14.45		Plenary lecture Marcello Tabarelli (Pia Parolin)	Plenary lecture Kathy Willis (Prya Davidar)	1/2 day Exkursions 1,2,3,4	Plenary lecture Helmut Haberl (Mosandl)	
14.45-15.00		Session 01 Plant animal	Introduction to Poster session I	Workshops	Introduction to Poster session II	
15.00-15.15		Session 20 Biodiversity	Poster session I	Meetings: Reserva Ecuador	Poster session II	
15.15-15.30		Session 18 Ecosystem	Poster of the sessions of Monday & Tuesday		Poster of the sessions of Wednesday & Thursday	
15.30-15.45		Session 03 Tropical	Coffee break		Coffee break	
15.45-16.00		Session 05 Changes in liana	Coffee break		Coffee break	
16.00-16.15			Session 15 Cascading effects of hunting	Session 07 Tropical Fungi & Mycorrhiza	Session 08 Applying ecological knowledge	
16.15-16.30			Session 40 Free Topics Plant-Insect Interactions	Session 15 Learning from the past	Session 25 Adaptation of agro forestry	
16.30-16.45			Session 35 Free Topics - Bats	Session 17 Biofuels, biodiversity and people	Session 19 Land-use change at local and landscape scales	
16.45-17.00			Session 15 Learning from the past	Session 19 Land-use change at local and landscape scales	Session 41 Free Topics	
17.00-17.15			Session 07 Tropical Fungi & Mycorrhiza			
17.15-17.30						
17.30-17.45						
18.30	ICE BREAKER Landgrave castle	Member meetings gtö / ATBC	New Botanical Garden		Conference Dinner and Farewell Party	
19.00					Awards	
20.00-22.00			Evening Lecture Paul Vlek (Jörg Bendix)			

 Audimax
